NUMBER 28

New Deep Test Oil Well Comes In On Smith Ranch

Since July of last year all eyes in Stonewall and this side of Jones County have been centered on the Shell Oil Company, Inc. No. 1, Annie Smith test on the Smith ranch about ten miles north of Hamlin, across the River in Stonewall county.

Tuesday morning of this week anticipations were realized when the report came that from the more than 6,000 feet oil was rising and had reached 2,000 feet.

The Wednesday morning report from the Smith family was that oil had been flowing out into the slush pit for nearly two hours. That is a big head of weight to lift, 6,000 feet of liquid, indicates that a sizeable well has been brought in.

The hole is about 6,030 feet and one of the deepest tests in this section of Texas. This is the culmination of the spending of thousands and thousands of dollars in search of oil in southern Stonewall County, by the Shell and General Crude companies. Five inch casing was set at about 5,845 feet. Standard cable tools were used. C. T. McLaughlin of Midland is the drilling contractor.

This wildcat well is located 2,310 feet from the south and 350 feet from the west line of section 143-1-H&TC survey.

The oil has a 37.8 gravity test, at an uncorrected 92 degree temperature.

If this well proves to be of substantial commercial value, it will be the second field for Stonewall county. The other is near Swenson, but not so deep. The Shell company has a large acreage in Stonewall county under lease. One interesting feature about this new well is that it is not far from the Shell Pipe Line and the station north of Hamlin. The new oil would find immediate outlet. Again if this test is what it now appears, it is likely that the fields in Fisher County, west of Hamlin, may have a direct connection. However the Fisher county wells are only half as deep as the new one in Stonewall. Several years ago a deep test was made on the George farm by Cranfil-Reynolds (now General Crude) and from reports good indication of oil was found. But some damage was done to the hole and it was lost.

Oil men believe Stonewall County is in for a lot of drilling in the near future.

W. H. Seymour, farmer west of Hamlin, is very sick in the Abilene Hospital. He was taken there on Friday of last week.

Hamlin Oilers Are Playing Two Games With House of David

The famous professional base ball players, the Israelite House of David team will play the Hamlin General Crude Oilers in Hamlin this Saturday afternoon and Sunday afternoon at 3:30 o'clock.

The House of David team, all wear long flowing whiskers, natural, as nature will provide, and the fame of this team goes before them. The whiskers do not hinder their seeing, their batting or their running. The only thing the Oilers need to watch out about and that is DON'T let the whiskers get into their (the Oilers) faces. From the illustrations on the advance advertising this is a "Hairy Bunch", and it is said that these professionals are hard to out score.

All West Texans know about how hard the Hamlin General Crude Oilers are to beat, so that means every fan who can muster the small admission price will be down at Hamlin's fine new walled-in park both days to see the show. Hamlin boasts one of the best natural surface parks in the state. It is as modern as money and men can make it. And the team that beats the Crude Oilers is a team not to "sneeze at".

Ex-Pied Pipers Bow To 1940 Gridsters 33 to 0

The football game played Tuesday night between the 1940 Pipers and the Exes on the Pipers Field, indicates that Hamlin High school will have a splendid football team for next year. In the final play the score was 33 to 0 in favor of the hopefuls for 1940.

Touchdowns were made by Johnson, Harbert and Lasseter, Harbert making 2 and Johnson and Lasseter each making 1. W. A. Brown scored on a pass from Johnson to Brown.

Outstanding defensive stars for the Pipers were Barrow, Lofton, Brown and Ellison.

Starring for the Exes were Ivy, Nicholson, Neill and Barton.

W. E. Benson, secretary of the Chamber of Commerce, is able to be back at his office after a week out indisposed. He is taking his work calmly till he gets back to his old time activity.

Tarleton Willingham Family Is Winner of "Most Typical" Title

There are ten districts of the West Texas Chamber of Commerce. Hamlin and Jones and Fisher Counties and maybe a lot more territory are in the 5th District.

From this district there were more applicants or nominations for the honor of being the "Typical American Family" than any other. Quite a few were from Hamlin and this end of the district.

Announcement has been made that Mr. and Mrs. Tarleton Willingham and their two children have been declared the most typical from this district.

All of the TEN typical families will be invited to come to Big Spring for the West Texas Chamber of Commerce Convention, and there the most typical of the typical families will be selected. From reports in the daily papers it would seem that farmers and ranchers have won out in this unique contest.

It will be a great feather in the cap of the family and its community to be declared the "West Texas Typical American Family." It's an honor to even be suggested, whether one wins anywhere or not. Congratulations to you, Willinghams.

Judge Russell Visited Hamlin Thursday In His Race for Congress

The Herald had a pleasant visit from Judge Sam Russell of Stephenville, on Thursday morning of this week. Judge Russell is a candidate for Congress of this the 17th district. He left his formal announcement to be published in next week's Herald. His name will be found in the regular candidate announcement column in this issue.

Judge Russell left word that he would be in Hamlin frequently and would address the voters in behalf of his race during the summer.

Tate May has been going about (just a little) since Tuesday morning of last week, on crutches, as a result of a fractured bone in one of his ankles. It looked as though Tate had been unfortunate in coming down the "Sweetwater Elk's stairs," while at the Rotary meeting—but Tate denies that and says his injury was caused on the stairway of the Ross Fomby new home. Anyway, Tate is in a cast.

Mr. and Mrs. W. R. Wilkerson, Mr. and Mrs. Robert S. Johnson and Mr. and Mrs. Lowell Ballew were called to Greenville Sunday morning because of the death of Mr. Wilkerson's and Mrs. Johnson's brother, Jim Wilkerson, a grocery merchant of that city. Mr. Wilkerson had worked in his store all day Saturday and until late into the night, and when it was time to awaken him Sunday morning he was found dead.

Mr. and Mrs. W. L. Boyd and son W. L., Jr., and daughter, Mrs. Henry Albritton, went to Hollis, Oklahoma, Thursday of last week to attend the funeral of Mrs. Boyd's brother, Marvin Wright who died suddenly Wednesday afternoon following an attack of acute indigestion.

Mr. and Mrs. W. C. Russell, Dr. and Mrs. P. A. Fowler, Mr. and Mrs. Bob Barrow, Mr. and Mrs. Curtis Martin and possibly others in or near Hamlin went to Stephenville Sunday to attend the Fathers and Mothers Day programs at John Tarleton College. The day was also taken up in visiting relatives.

Mrs. C. C. Prater who underwent major surgery in a Sweetwater hospital was able to be returned home Sunday. She is recovering nicely.

Mrs. R. J. McIntyre who returned home last week after an operation in an Abilene hospital is recovering nicely.

Miss Elsie Withers, who underwent an appendectomy in Hendrick Memorial Hospital in Abilene was able to return home Friday of last week. She is reported to be recovering nicely.

Closing Programs Are Announced For Grammar and High Schools

The Schubert Music Club Presents Annual Sacred Program Sunday

The Schubert Club will present the following program of Sacred Music on Sunday night, May 12, at the Methodist Church: "Come Thou Fount of Every Blessing" Schubert Club And Audience

Benediction Mr. O. B. Proctor

ANSON WILL HOLD DAIRY DAY MAY 24

The Second Annual Dairy Classification Day is to be held in Anson on May 24th. Mr. E. R. Eudays, Extension Dairy Specialist, Mr. Maddox, Dairy Manufacturing Specialist, and Mr. W. I. Glass, District Agent of the Extension Service will have charge of the program.

The plans for the Dairy Day is to classify cattle and not rank them as normally done at shows. This means that there could be either one ribbon animal or ten blue ribbon animals in a class, in other words, each exhibitor would be competing with ideal dairy types, rather than animals at the show. Any grade or purebred dairy animals are eligible. They do not need to be registered. It would not be advisable to spend too much time fitting before the show, bring them as they are. Dairy products will be on exhibit and will be judged during the day.

Mrs. Mac Brundage accompanied by her sister, Mrs. L. H. Hobbs, of Chicago, returned Saturday from a visit in Fort Worth with her mother, Mrs. Dunlap. Mrs. Hobbs will return to Fort Worth for a visit and then come back to Hamlin to attend the graduation of her niece, Miss Maxine Brundage.

Mrs. L. R. Nichols and her sister, Mrs. R. F. Jackson are remembering their mother, Mrs. Lula Scott at 2607 N. W. Fort Worth with a Mother's Day gift—it is a full year subscription to the Hamlin Herald. Mrs. Scott formerly lived in Hamlin and no gift costing just one dollar could give her as much pleasure as the Herald every week for a whole year. We hope Mrs. Scott will always get to read news from Hamlin.

Mr. and Mrs. Kurt Schoemann spent Tuesday and Wednesday in the Dallas markets buying summer merchandise for the Strauss Dry Goods Store.

Mrs. Frank Waggoner and son, Jerry, returned Sunday from a visit to Georgia. While away they visited Pensacola, Florida, New Orleans, and Birmingham, Alabama.

Mr. and Mrs. Harry Dodson went to Burkburnett Saturday to visit Mrs. Dodson's parents. Mr. Dodson returned Sunday and Mrs. Dodson remained for a longer visit.

SPECIAL FOR GRADUATION

What could be nicer for a GRADUATION GIFT than a PERMANENT WAVE? We are offering SPECIALS on all our Permanents. We offer a Permanent and price to suit every one.

26 Rural Schools of Jones County to Have 7th Grade Graduation

County Superintendent, B. T. Beaver, announces that a "Commencement Program" for county-wide Graduation Exercises for 7th grade pupils will be held in the Anson High school auditorium next Thursday night, May 16, starting at 8:00 o'clock.

Twenty-six rural schools will be represented, in the program with 112 graduates in the class. Mr. Beaver says this is the first time in history of Jones County schools that such a program has been attempted.

In this day of bus transportation, concentrations, and specializing in so many lines, the rural school and rural families have many advantages not enjoyed in former days. The program planned by Mr. Beaver should be inspiring and instructive to the class and all others present.

Miss Alpha Moore, teacher in the Grammar school, was called to De Leon last Friday by the serious illness of her father, Dr. A. L. Moore. He passed away Sunday afternoon. Miss Moore remained with her mother the remainder of the week.

CONGRATULATIONS

Mr. and Mrs. Irvin Smith are extremely happy over the arrival of a fine girl at their home on Hope Ave. The little lady is named Benita Irene. Her birthday is May 8th, and she starts off at seven and three-fourth pounds. Congratulations.

The Herald anywhere, 1 yr. \$1.00.

Baccalaureate services for the graduating class of Hamlin High school will be held Sunday evening May 19, at 8:15 in the High school auditorium.

Rev. E. C. Seaman, Bishop, Missionary District of North Texas, The Protestant Episcopal Church, of Amarillo, will deliver the sermon.

Musical numbers will be given by members of the Schubert Music club. Miss Edwina Gilbert will play for the Processional and the Recessional.

Local pastors will assist in these services and the Commencement Exercises, which will be on Monday evening, May 20th.

HIGH SCHOOL HONOR STUDENT ANNOUNCED

Bob Jack Low was named valedictorian of the senior class of Hamlin High school with an average of 94 and Hazel Adkins was named salutatorian with an average of 93. These averages are based upon four years' work in Hamlin High school and include grades for deportment.

Bob Jack is the son of Mr. and Mrs. Bob Low. He is a member of the Hamlin Chapter of the National Honor Society, takes an active part in senior class projects, and is a member of the High school band. He represented Hamlin in the solo division of the band contests held recently in Abilene.

Hazel Adkins is a sister to Mrs. Delma Shelburne. She is a member of the National Honor Society and plays the clarinet in the Hamlin band. Hazel is popular in senior class activities, having served as reporter and business manager of the class play. She has competed the past two years in "My Home Town" speaking contest and placed each time. She is entering the contest again this year.

Bob Jack, Hazel, and the following honor students will appear on the Commencement Program to be held in the High school auditorium, Monday, May 20, at 8:15 P. M.: James Nicholson, Verna Mae Sipe, Charles Brown, Stanley Wilson, and Maxine Brundage. The program will include musical numbers and a discussion of "Education Meets The Challenge of Society."

Miss Edwina Gilbert and Harold Fletcher will play for the Processional.

GRADUATION EXERCISES FOR ELEMENTARY SCHOOL

The Graduation Exercises for the Elementary School will be held in the auditorium of the Elementary school Friday night, May 17, at 8:00 o'clock.

Rev. H. E. East, pastor of the First Baptist Church, will give the principal address.

The program will be given by honor students with special numbers by the Elementary school Choral club.

Gifts like these last forever, and their quality is a part of them! A nationally known timepiece—a stunning diamond ring; you can't give more wisely.

THIS WEEK

A LITTLE BIT ABOUT

This AND A LITTLE BIT OF THAT

A Hamlin woman, Tuesday morning phoned an inquiry to a prominent market man, noted for his smiles, asking, "Haven't you got some Fryers in your store?" to which the smiling market man hurriedly replied, "Wait a minute and I'll see". Soon he picked up the phone and gaily replied, "Don't think so, just only a little smoke". This is no joke. The good lady had to come down town to ask about the fryers (chickens if you please, not FIRE).

—T&T—

And here it is May tenth and instead of the English and French having charge of every inch of the Norwegian coast, it looks like they are going to be shut out altogether. What's wrong with the "mistress of the seas?" It's all a mystery why.

—T&T—

Some day the world will fully realize the part airplanes are playing in the present European war. A dozen planes can inflict great losses on ships and landing armies.

—T&T—

There is only one thing that prevents Hamlin and Sweetwater from becoming chummy, useful neighbors, one with the other, and that is we have no direct road. By the time one winds about over some paving, some sand, some holes, some zigzags here and yonder, and finally you reach Sweetwater or Hamlin you think you have traveled a hundred miles. We'll keep thinking of that.

—T&T—

Now here is something important: This nation is a Democracy, and a Democracy functions through some line-up of political conventions. These are volunteer affairs. It is a haphazard set up. Often the precinct conventions are held secretly and others with little publicity. Finally the suffering or careless public finds a long ticket of nominations they know but little about. Now for example Democratic precinct conventions were held over Texas this last Saturday. What hour? What place? Where? Who knows, even about it? Then there was a County Convention on May 7. When and where? A state convention is May 28. Democracy is like religion—it works only when it is "worked at".

—T&T—

Ye Editor was in the "Clean City of Lubbock" a few days ago and took especial attention to how and why the city was so clean. Well, it IS clean. It is kept so by constant urging of citizens and the city authorities, schools, churches, clubs, business concerns, and everybody. We found but one place we could not compliment . . . it was clean but a tumbled over shack, in a prominent neighborhood. Fire hazards count in the contest as to whether the town is clean. Usually fire hazards and filth go hand-in-hand. Not many places can be clean only on the outside, and the same is true if it is dirty on the outside. Let your imagination fancy what the inside looks like. Gosh! O Gosh!

—T&T—

Again let the Herald compliment Hamlin people for the 1940 clean-up and paint-up. It has been 12 years since we have seen so much dolling-up in this man's town. Painting and cleaning up is as catching as the smallpox. The cleaner one place is and the brighter it looks the more dingy and desolate the unkept place beside it looks. If it were not such a dangerous task the Herald would

list every place that has been painted, cleaned and tidied up in Hamlin. But people drive about, and watch them look!

—T&T—

A number of vacant lots have been cleaned and a suitable supply of mesquite trees have been left and trimmed to make the appearance "park-like" to add civic attractiveness to Hamlin. The mesquite growth is one of Hamlin's problems as far as appearances are concerned. Yet when an unused set of lots or block is cared for just a little bit the mesquite tree becomes an asset, at small cost. Every available hour of city labor should be utilized to make the people who live in Hamlin more comfortable and better contented.

—T&T—

Hamlin people will not object to the city government spending \$500 per year for comfort during the summer. This sum will pay for one full time man, for any materials and equipment for use in the needed work. We speak of comfort NOW. That man should be furnished with a "Compression Spray", plenty of kerosene, and required to use it on the sewer creek every six days for a mile down the stream. The balance of his time should be taken in spraying or cleaning street-side ditches, co-operating with homes in eliminating places that breed flies and mosquitoes. 99 per cent of the citizens will be glad to co-operate with a "mosquito patrolman." The hope of more comfort is worth the expenditure "trial". If the City Council does not see fit to appropriate the needed funds, then it is up to volunteer citizens to contribute the funds for the work and see that the needed "patroling" is speedily done and continuously done. It is worthwhile to try.

A GOOD BUY—The SEMI-WEEKLY, DALLAS FARM NEWS AND HAMLIN HERALD. Both \$1.75

Hamlin Navy Boy Writes Letter From European Port

Since our arrival in Europe there has been many interesting sights and good times that we have enjoyed. I shall try to outline some of the places of interest to you that we have visited since being abroad. The first place that we saw in Europe was the Rock of Gibraltar. It reaches to an enormous height and just from looking at it you realize its military strength without thinking of seeing all of the military equipment that England has hid there. One side of the big rock is devoted to a small town and commercial harbor, while the other side is devoted to a military unit, including a navy yard and much similar equipment. The eastern end has a nice beach and there are several nice parks scattered around the edges of it. From the position that our ship lay, you could look to the north and see the hills of Spain, and the south and see the rising mountains of Africa. Clouds usually hung low over the top of the rock. In general, it was a very interesting sight.

From there we went to Villefranche, surMer, France. A beautiful little village located among the small valleys where the foothills of the Italian Alps dip into the blue Mediterranean. A few miles away are the resort cities of Nice and Monte Carlo, where the society of Europe meets to pass away the enjoyable days of their vacation, swimming, sun bathing, remanence and the limits of night life. The beauties and interesting sights of the Riviera would amount to pages if I were to include all of it, therefore, you can believe the books of travels in regards to its beauties and fully realize the reason that it is chosen Europe's playground.

From there we made a cruise out of the Mediterranean into the Atlantic and visited le Harve, France. This is the largest commercial port in Northern France, and is the home port of the Normandie, which was there twice during our visit. It has a nice beach and some of the most beautiful parks in that section of France. Many visitors came aboard the ship from there and many of the ship's company visited Paris, of course, telling of strange sights and experiences that is so commonly known for Paris. We really enjoyed this visit and wish that we could go there again.

From here we went North to

Rotterdam, the Netherlands, which I feel that no one on the ship can deny was most enjoyed of all of the ports that we visited. The city had a beautiful park which was just across the dock from where the ship was moored. Visitors flocked by the thousands and among them were many nice people who escorted us through the park. The city was very modern, and clean. It bore no wealth of statues as did the French cities, but made up for it with its beautiful parks and modern buildings. The people gave us several free sightseeing trips; one to Amsterdam, one to Gouda by steamer, and some others to the Hague and the adjoining beaches. The one to Gouda proved the most interesting of the many given. While there we visited in the St. John's Cathedral, which has the rarest painted glass windows in the world, covering the entire time of the life of John the Baptist. All hated to leave there as quickly as we had to, and the biggest past time was joining the citizens in bicycle riding.

From there we came to St. Nazaire, the French city where the first American troops entered France during the World War I. From there we visited mainly in Ponichet and Le Baule, both elegant tourist resorts. Many enjoyed swimming while there and the night life was very lively. Everyone enjoyed our short visit there.

From there we returned to the Riviera, stopping for a few hours in Marseilles, but no liberty was granted. Then the war broke out and we came to Lisbon, which is nothing to speak about, other than Estoril, a nearby summer resort, and the Palace of Vasco da Gamma which holds his tomb. The city is not clean but has some of the most modern shops in Southern Europe.

In the winter of 1940 we made a trip to Funchal, Madeira, which is an island off the coast of Africa, and similar to Hawaii. The mountains rise into the clouds and almost from the sea. It is a very attractive place.

Later another trip carried us to Cadiz, Spain, an historic old port of elegant buildings and vast harbor. During the colonial days when Spain was controlling many of the big colonies in the New World, the main use of this port was to bring gold into Spain. Some of the men made trips to Seville and flew to

Madrid. Many have interesting tales to tell of the ruins of the revolution, but we enjoyed it very much.

O. R. MARTIN,

U. S. S. Trenton, Lisbon, Portugal
Otho Ray Martin is a son of Mr. and Mrs. W. Frank Martin.

Texas oil companies furnish producing, pipe line and refining equipment free for use of students in adult vocational classes conducted by the State Department of Education. Approximately 14,000 Texans have taken these courses to date.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, all-vegetable BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.

Many a serious accident has been prevented because some driver exercised good judgment.

NAZARENE CHURCH

We are preparing a special service Sunday, May 12th, doing honor to the Mothers of today.

Sunday School opens at 9:45 with a short program of tribute to Mothers.

At 11:00 o'clock the pastor will deliver a sermon on this subject: "The Influence of Mothers on the World."

The evening service at 7:30 will be given by the Volunteer Mission Board of McMurry College. D. L. Egger will be in charge of the program, which will consist of special music, readings, and close with a sermon by Rev. Doyle Ragle, McMurry senior. We urge you to attend church on Mothers Day.

DAN D. JONES, Pastor

BAPTIST CHURCH

Sunday is Mother's Day! In our land we honor our great statesmen and great warriors, but we also honor our true mothers. I am glad, for, as the poet has said:

The bravest battle that was ever fought,
Shall I tell you where and when?
On the maps of the world you'll find it not—
'Twas fought by the mothers of men.
We invite you to our special

Mother's Day service Sunday morning. Special music will be rendered by the choir, and the pastor will speak on the subject, "A Mother Who Was Contented with a Dog's Chance." This is a message for all, and should be a help to both young and old. We want everyone to wear a red flower if mother is alive or a white flower if mother has gone before. If your mother is visiting you from out of the city, bring her to the service. She will appreciate your thoughtfulness, and will always rejoice that her child wanted to bring her to church. Church and true mothers go together.

Our Sunday School begins at 9:45. We failed to reach our goal last Sunday, but during the month of April we more than averaged our goal of 310. We averaged 319 during the month, and this month we should do just as well. The training unions begin at 7:00. There will be no evening preaching service, as we will dismiss for the annual sacred program arranged by the music club to be held at the Methodist church.

"See you in Sunday School and Church Sunday."

H. E. EAST, Pastor

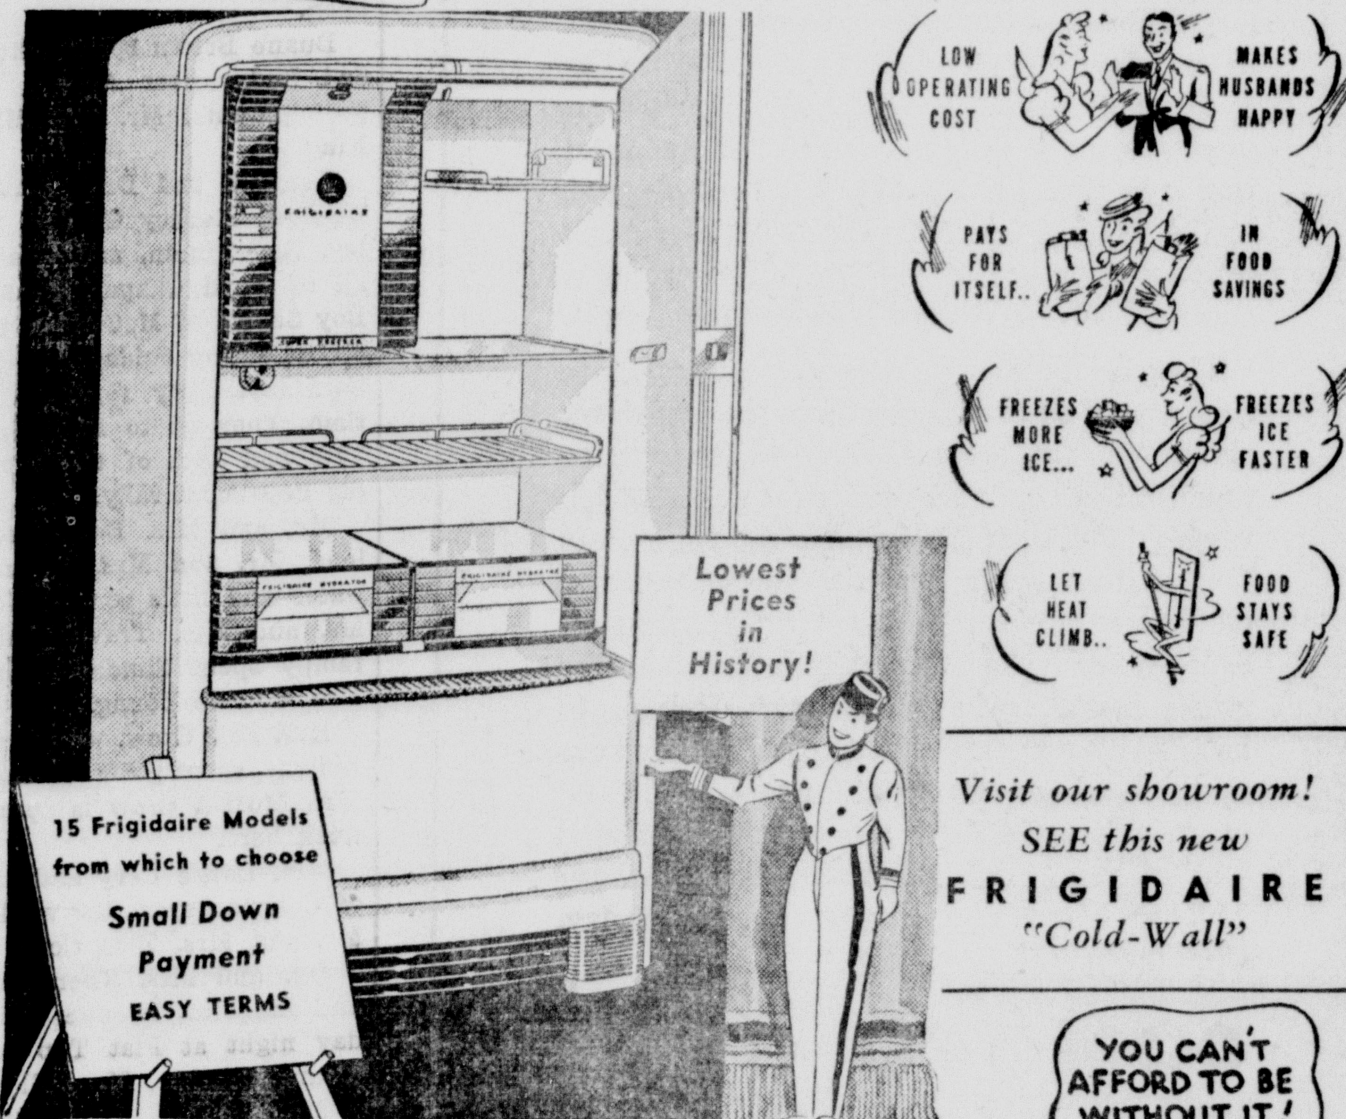

W. F.'s RADIO SHOP

Repairs all household electrical appliances. 2 blocks on Stamford highway.

Safety and Courtesy are Traffic Twins—Carelessness and Failure are also twins.

"Right," says MRS. AVERAGE HOMEMAKER, "YOU DO GET
Twice the value at half the cost
with 1940 ELECTRIC REFRIGERATORS"

There have been so many improvements in Electric Refrigeration during recent years that it's no wonder women everywhere agree:

"Twice the value at half the cost!"

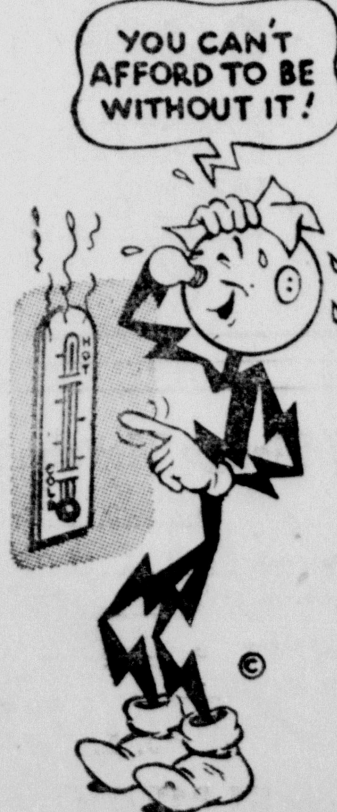

The first big change is in price. A large family size electric refrigerator that cost \$300 just ten years ago NOW sells for little more than \$100. And they cost 50% less to operate than they did ten years ago!

So—see your electric refrigerator dealer TODAY and learn why women are saying:

"Twice the value at half the cost!"

P. S.—This is the year to buy your 1940 electric refrigerator.

Company**

METHODIST CHURCH

Rev. John W. Hendrix, Pastor

Next Sunday bids fair to be a big day. The church school will offer its opportunity at 9:45 A. M. It is worth looking into, isn't it? Biblical instructions and good warm fellowship, a source of stable morals and abiding friendships. At least next Sunday morning the biggest army that ever moved in the history of the race will in our own U. S. A. move toward the Sunday school. Follow them!

THE MORNING WORSHIP will be dedicated primarily to MOTHERS—MOTHER'S DAY. The choir will render a program of the oldest hymns we can find. The more elderly people of our church will be provided a way to attend. The pastor will deliver a short sermon, using as title, "A Mother's Wages." Holy communion will be administered. At 10:50 A. M. the service will begin promptly and the first part will be the christening of infants. This service will be, all of it, through by noon. It is the plan that SUNDAY SCHOOL will re-assemble for its devotional at the Morning Worship hour. They are requested to do this.

The church will be decorated and made ready.

EVENING HOUR, 8 P. M., will be in charge of the Choral Club. They will render a sacred musical program. This is part of the observance of Music Week. It so happens that in the order of their circulation from church to church, it is our good pleasure to have the club at our church. The chances are this program will assemble a capacity house. It should!

The Leagues will assemble at their places of worship at 6:45 P. M. And to your size and age you are invited to worship in one or the other.

FARM HOME BURNS

The home of Mr. and Mrs. Bert Whaley northeast of Hamlin was lost by fire Tuesday morning. Everything in the house was lost and that included a great quantity of canned goods, preserves and jellies. Mrs. Whaley had been pantry demonstrator for her home club and took great pride in this kind of work.

Miss Loucille Willis visited friends in Wichita Falls from Friday until Sunday and while there attended the Beta Sigma Phi state convention.

WISE CHAPEL NEWS

By Catherine Drake

It looks like rain again. The sky is very heavy with black clouds. Had a very light shower Tuesday night. It made things look better and fresher.

F. W. Neal spent Saturday night with his grandmother, Mrs. N. P. Bingham and family of Neinda.

Rev. Montgomery, of Sweetwater, preached at the Wise Chapel church Sunday. Not very many were there. There won't be any more Wise Chapel church. They voted Sunday to see where they would go. Some wanted to go to Hamlin, while others wanted to go to Neinda. The vote was six to four in favor of Neinda.

Mrs. Minnie Bush of Abilene spent Saturday night with Connie Drake and sisters.

Miss Nadine Bingham of Neinda spent Sunday night with Neve Dell Neal.

Miss Catherine Drake gave a tacky party Friday. Sixty guests attended. Mrs. Dave Herbst got the cake for being the tackiest.

Mrs. W. D. Patterson and family took dinner with Mr. and Mrs. Pete Patterson Sunday.

Mr. and Mrs. Jessie Richard Bonds of Hamlin spent Sunday with Mr. and Mrs. Joe Bonds and sons.

Mr. and Mrs. Buddy Jobe and

BOYD CHAPEL CHIRPS

(By Mrs. L. F. Cozzen)

The young folks of this community went to Liberty Sunday evening to put on a B. Y. P. U. program. They report a splendid time.

Mrs. Lester Wood was brought home from the Stamford sanitarium last week. We are very glad to report Mrs. Woods as doing nicely. Her sister, Mrs. Bessie Milles, of Abilene, cared for her the first few days after she came home and Polly Kelley is staying with her now.

Mr. and Mrs. L. F. Cozzen had as their week end guests their children, L. P. Cozzen of Lamesa, Mrs. J. E. Killen and little son John Edd of near Roby, Mrs. Vera Lester and sons Bobby and Jerry of Neinda, Mr. and Mrs. L. E. Cozzen and baby Jerry, and Mr. and Mrs. Albert Haight. One daughter, Mrs. Jess Stokes of Fort Worth, couldn't be present. They celebrated Mother's Day a week early.

Robbie Ruth Cornelius who is taking a beauty course in Fort Worth is home for a month or six weeks.

Miss Fayrene Gardner and Virginia Cozzen with the other juniors, of Hamlin High school, had a good trip to Fort Worth the past week-end.

Mrs. Bessie Miles and daughter Virginia of Abilene visited her sister Mrs. Lester Wood Sunday afternoon.

Duane Brown spent Saturday nite and Sunday near Anson with his grandparents, Mr. and Mrs. W. S. King.

Kenneth and Durl Ward, W. D. Bristow, Starkey Cozzen, Altas Kelley, Roy Tinnin, and Charles Dean, all of Boyd Chapel, went with the Boy Scouts of McCauley to Lueders on an outing Friday and came back Saturday. They report a real nice time. They go to Big Spring the 17th and 18th of this month to a big Boy Scout rally.

Mr. and Mrs. Ben Byrd of Abilene, Mr. and Mrs. Mageon Rainwater and little son of Noodle, and Mr. and Mrs. Travis Hubbard and family spent Sunday with Mr. and Mrs. Charlie Crow.

Mrs. Eric Young, who is working in Abilene, spent the week end at home. Miss Muffet Crow is spending the week here.

Mrs. Lottie Cory and son Delmer of Coleman spent the week end with Mr. and Mrs. Tom Cory.

Mr. and Mrs. Thompsey Young and daughter, Yvonne, visited Saturday night at Flat Top with Mrs. Young's father, Mr. Bill O'Neil.

Mr. and Mrs. L. F. Cozzen and Starkey attended church services at Neinda Sunday night.

A number of the Boyd Chapel people attended the ball games at Plasterco Friday evening.

Lee Ward's sister and husband, Mr. and Mrs. James Martin of Odessa, Mr. and Mrs. Fred Ward, Anson visited them Sunday afternoon.

Mr. and Mrs. Charles Jefferies of Fort Worth spent the week end with her mother, Mrs. L. F. Young. Mrs. Young returned home with them.

Mr. and Mrs. A. L. Haight of Hitson and Mrs. Vickie Waldrip of Knox City spent Sunday with their son and nephew, Mr. Luther Haight and family.

Mr. and Mrs. Oscar Haight and Edna of Hitson spent Sunday with Mr. and Mrs. Ernest Cozzen.

WHEN Your Boy Grows Up!

ALL mothers and fathers want their children to have worthwhile employment when they grow up.

The Texas oil business is manned by Texans . . . the Texas boys and girls of yesterday. 225,000 of them earn good livings for themselves and their families—a yearly payroll of \$271,000,000.

Oil pays good wages . . . maintains reasonable working hours . . . and offers opportunity for promotion.

Old age retirement and unhampered development of the oil business will provide many new jobs each year for our young Texas workers.

But the growing tax burden is a serious factor in wages and employment, since the Texas oil industry now pays taxes equal to 36 per cent of its labor payrolls.

Unwise laws and excessive taxes can retard and stop the growth of this industry which means so much to the future employment of our boys and girls.

This Advertisement Paid for by Various Units of the Industry and Sponsored by

TEXAS MID-CONTINENT OIL AND GAS ASSOCIATION

family and Mr. and Mrs. Aaron Jobe and family went fishing Sunday at Telephone Crossing.

Mr. and Mrs. Pate Wright took dinner with Mr. and Mrs. Jim Johnson Sunday.

School is to be out this Friday. A program will be given Thursday night and one Friday night.

Mr. and Mrs. Watts Fletcher and family visited Mr. and Mrs. Ralph Riddle Monday night.

Mr. and Mrs. Jack Harley and

son and Mr. and Mrs. L. J. Fletcher and daughter spent Sunday with Mr. and Mrs. T. W. Flenniken and son.

Mr. and Mrs. T. W. Flenniken have installed a new electric refrigerator.

Mrs. J. W. Rector, of McCauley, is spending the week in Waco attending to business and visiting relatives.

Miss Meddie Mae Bynum of Fort Worth spent the week end here with her parents, Dr. and Mrs. J. I. Bynum.

Your pretty flower pot, lily pond and that old can with a bit of rain water in it—all are fine places to breed a batch of mosquitos. D away with them NOW.

Nine accidents out of every ten can be prevented.

TSCW---Daedalian Brunettes---One Blonde

Brunettes led this year for the second straight time in the beauty selection at Texas State College for Women, where not a single blonde girl won a beauty page in the college's 1939 yearbook. This year's crop of beauties, presented by Rus Morgan at the annual senior prom in Bralley Memorial Library at TSCW, are five brunettes and one lone blonde.

Chosen from the sixteen class nominees, the brunette beauties are Misses Janice Smith, Denton fresh-

man; Darcas Harrison, sophomore from Tuckerman, Ark.; Mary Elizabeth Cook, Houston senior; Beryl Ann Longino, sophomore from Lufkin, selected at large; and Claire Christi, freshman, chosen at large. The blonde beauty is Miss Gladys DuBose, junior from Belton.

Each of the girls will be featured in a full-page picture of the Daedalian yearbook. They were selected by Alexander Hogue, artist; Truman Pouncey, photographer; and Gayle North, radio commentator on styles

and personalities. Introduction of the beauties by Morgan, who provides "music in the Morgan manner," for the formal, was the high-point of the prom.

Over 200 senior girls, escorted by boys from all over Texas and neighboring states, attended the dance which is the outstanding social event of the season at TSCW. The six beauties were introduced on an improvised stage at one of the dance floor and promenaded the length of the room to their chosen music.

Any oil-change helps "youthify" your engine...but not like this change to OIL-PLATING

You change to an OIL-PLATED engine by changing to Conoco Germ Processed oil—patented. It goes in like any oil and is priced as low as many. But a costly extra ingredient—created in the laboratory—technically described in the Patent Office—energizes this oil to couple up direct to inner engine surfaces. The connection is as close as that of any plating on your car. A plating is not in the habit of getting wiped away at speed, or of draining down at a standstill, and so that all goes for OIL-PLATING.

Then no matter how long the car stands or runs with Germ Processed oil in the crankcase, the OIL-PLATING still stays up to its topmost point in each cylinder—fastened up to its job when fluid oil-film couldn't be. You get a great fluid oil-film, mind you, with Germ Processed oil, but in addition you get OIL-PLATING . . . drain-proof . . . a fixed defense against the strong assaults of summer wear. Helping to keep up your engine, OIL-PLATING helps to keep up the level of your Germ Processed oil. Even in an older engine its economy may remind you of "the first year." Change—to Your Mileage Merchant's Conoco station—today. Continental Oil Company

Mrs. David Whittaker Club Hostess

The Busy Bee Quilting club met in the home of Mrs. David Whittaker on May 1st with twenty members and seven visitors present. Two quilts were quilted during the day and the third one partly quilted. A covered dish luncheon was served. The next meeting will be with Mrs. Will Fomby next Wednesday, May 15th. Each member is urged to be present and visitors are welcome.

Merry Makers Club

Mr. and Mrs. H. O. Cassle entertained the Merry Makers club in their home, Thursday evening with games of 84.

Roses and larkspur were attractively arranged in the entertaining rooms. Following the games a salad plate with cake and iced tea was served.

Those playing were Messrs. and Mmes. R. B. Wiarr, Ira Clements, J. E. Moody, Blakeley Campbell, Hubert Morton, Arlie Cassle, Dr. and Mrs. Joe McCrary, Mrs. Mart Farrow and Mr. Cassle.

Mrs. H. O. Cassle Entertained Club

Roses and other spring flowers decorated rooms in the home of Mrs. H. O. Cassle, Tuesday afternoon when she entertained members of the Tuesday club with two tables of bridge. High score was made by Mrs. J. L. Keen. Others playing were Mmes. W. F. Johnson, R. B. Wiarr, J. W. Ezell, W. J. Poe, Bowen Pope, Miss Pearl Whiteley and the hostess.

Prior to the games a lovely refreshment plate holding pineapple short cake, potato chips, wafers and olives was served with iced tea.

A careful driver and a good set of brakes is a combination of few mistakes.

Look out for children. . . . You never can tell what they'll do.

Over fifty courses in oil operating methods are now offered by the Texas State Department of Education in co-operation with Texas oil companies to enable Texas oil workers to train themselves for promotion.

Triplett Tip-Toeing All Over The County

Floyd Lynch, county agent, has staked off a plot of ground for the Jones County cotton variety test at the highway "Y" north of Anson on the Mose Jones farm.

Free marketing and cotton classing may be obtained for all one-variety cotton communities if they are properly organized, according to provisions of the Smith-Doxey Act. This service is sent from Austin and cotton can be sold under this classification. Any community interested in this service should get in touch with the county agent immediately.

The proper organization may be set up with a president, vice-president, secretary and other officers and as few as ten persons can qualify for the one-variety test.

Sheriff Bill Dunwoody has rearranged his office and refinished the walls.

The past Saturday was pay day for the teachers in the common school districts of Jones County. Approximately \$5,000 were paid teachers of the county through the office of B. T. Beaver, county supt. This amount is paid to the teachers for the entire twelve months of the year. The office also received \$9,381 in State Aid the past week for the districts that do not have sufficient funds to run their schools.

The following 4-H club boys have received cotton which they had bought on a co-operative basis for cotton projects: W. G. Pritchett, Edward Dotson, Jim and Jerry Newton, Robert Lee and Billy Vinson; Glynn Reeves, Homer Reeves, Dale and Max King, Jimmy French, Wil-

TIMES CHANGE

Times do change. Witness the truly magnificent spectacle of thousands of merchants in virtually every county of the nation striving to dispose of the South's surplus cotton! This is the kind of Union that Abraham Lincoln visualized over half a century ago amidst the bitterness of the bloodiest civil war in history.

Cotton is the life of the South. Cotton is bread and butter to millions of people, both in the South and other sections of the country. A glutted cotton market imperils the welfare of these millions. Cotton exports are at dismal lows. The solution to the cotton problem must be found, in part at least, at home. This, in a nutshell, is the impelling motive behind the cotton "campaign."

Every resource of modern distribution is being called into action. During the week from May 17th through May 25th, shoppers will see store fronts and showcases banked with cotton products and appealing posters mutely reminding them that by purchasing a cotton goods article they will be helping their neighbors "down South." The promotional campaign in behalf of "King Cotton" is far more than merely another sales promotion stunt. It is indicative of a new era, an era in which organized co-operation between producers and retailers promises to reign supreme, the kind of co-operation that benefits consumers. Efficiency, and service at minimum cost, are its by-words.

Yes, there is far more than appears to the eye in the promotion of cotton week. It is a powerful example of Lincoln's "more perfect Union."

"Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering! It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of functional dysmenorrhea due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is less periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. Women have used CARDUI for more than 50 years!

News of the Week From the McCaulley Community

(By PAULINE MABERRY)

Mrs. R. T. Cypert, home room mother of the seniors, entertained the juniors and seniors last Thursday at her home. There was lots to eat and many games played. Everyone enjoyed themselves immensely.

The Boy Scouts went to Lueders last Friday and stayed all night. Came home Saturday and had a swell time.

Binnie Ruth Dunham, student in the 7th grade, moved with her parents to Arizona.

The 7th grade commencement exercises will be Tuesday, May 21 at the auditorium at 10:30 A. M. The valedictorian will be Ora Frances Steele. Salutatorian Patsy Jim Berry. Third, Evelyn Akins.

Last Wednesday the junior boys and girls played Plasterco in baseball. The McCaulley boys won 23 to 10 and the girls won 20 to 16.

The Methodist young peoples League of McCaulley went on a picnic last Thursday night at the Sweetwater lake. Everyone enjoyed themselves. The League gave a program

at Neinda last Thursday night.

Mary Calloway gave a party Monday night. After the party several girls stayed and spent the night.

Roy Hennington took the 4th and 5th grade pupils on a picnic last Thursday after school.

The seniors are going to present the school with a radio at the end of school. The class president gave this information Tuesday.

The P-T. A. is giving the seniors a banquet Friday night at the Methodist church.

The juniors and seniors are planning a picnic for Wednesday after school. They will have the picnic then go to Virgil Lawlis' home for a party.

The baccalaureate sermon will be May 19th at the Baptist church. Rev. East of Hamlin will be the speaker.

Don Morris, president-elect of A. C. C., will speak at the commencement exercises May 21st. The exercises will start at 8:00 o'clock.

The seniors have out their invitations. So be watching for yours!

McCAULLEY FEDERATED CHURCH WOMEN APRIL 29

The Church of Christ was hostess to the Federated Church Womens Club of McCaulley in the home of Mrs. Dick Maberry on April 29th. Mrs. Maberry was assisted by Mrs. Lewis Boyd, Mrs. Melvin Courtney, Mrs. L. E. Hendon and Miss Bernice Hendon. Piano selections were given by Mrs. Luther Rector, Miss Bill Milsap and Mrs. Nash Miers. As guests entered they were served punch and cake from the lace laid table in the dining room. They were then directed to the room where original paintings were exhibited and explained.

New officers were selected at this meeting. These were: president, Mrs. Levi McCollum; sec'y-treas., Mrs. Willie Fancher and reporter, Mrs. Melvin Courtney. Program committee included Mrs. George Darden, Mrs. George Maberry and Mrs. Jim Jackson.

The program was opened by answering roll call with the name of a favorite artist. A song, Praise Him, was led by Mrs. Ottinger, accompanied by Mrs. Nash Miers at the piano. Mrs. Jackson, president, brought a message on The Meaning and Purpose of Our Club. A quartet composed of Mrs. Luther Rector, Mrs. George Darden, Mrs. George Maberry and Mrs. Cecil Ottinger sang Texas Bluebonnets, accompanied by Mrs. Nash Miers. "The Art of Living," an inspirational talk, was given by Mrs. Etta Stephenson. "God In Art," was the subject of a beautiful message by Mrs. Huie Parker. The message was read by

Mrs. Ottinger in the absence of Mrs. Parker, who was unable to attend. The next meeting will be with the Baptist ladies at the Baptist church in July. New officers will be installed and a special book review will be given by Mrs. Hefflin Miller of Hamlin.

Guests attending were: Mmes. Stephenson, Calloway, Ben Short, Will Davison, Levi McCollum, Melvin Courtney, Turner Houghton, Virgil Steele, Hub Parker, Lee Hendon, Cecil Ottinger, Bill Pickron, George Maberry, Lewis Boyd, Luther Rector, Lewis Earl Madden, Ben Kemp, Luther Akins, Nash Miers, George Darden, Jim Jackson, Dick Maberry, Alice Hopkins, and Misses Bernice Hendon and Bill Milsap.

MISS CHRISTENE JENKINS AND MR. HERBERT STREMMEL WED

On Saturday, April 27th, Miss Christene Jenkins and Mr. Herbert Stremmel were united in marriage. The ceremony was in Haskell by a Justice of the Peace of Haskell Co. The only close friends attending the wedding were Miss Virginia Cooley and Mr. Lester Jenkins.

Mrs. Stremmel is a daughter of Mr. and Mrs. Douglas Jenkins of the Flat Top community and Mr. Stremmel a son of Mr. and Mrs. A. G. Stremmel of the Sagerton community.

The couple will make their home at Sagerton.

Mrs. G. Cleve Dunn left Tuesday for Ruidoso, where she will again open her summer Texas Cabins to the public. This is her 8th summer in that cool mountain resort.

FLAT TOP SOUTH SIDE NEWS

(By Nancy O'Neal)

Mr. and Mrs. Silas Devenport have graded the state examination papers and returned them to County Supt. L. S. Stewart of Aspermont. Those making highest for their respective grade were: First: Stanley Reston; second, Doris Bowman; third, Donald Fudge; fourth, Rita Branscum; fifth, Glenna Merle Fudge sixth, Lindy Lee Bailey; seventh, Billy Don O'Neal.

Mrs. Sam Doyle of Flat Top is visiting her daughter, Mrs. Wilks Hinson of Waco.

Mrs. Nancy Booth of Austin is visiting her daughter, Mrs. Harl Williams and family of Flat Top.

Last Friday night the Boy Scouts of Flat Top and Scoutmaster hiked to the bunk house near Stamford to spend a night. Those going were: Billy Fudge, Donald Devenport, Gene Richardson, L. V. Hill, Max Harris, Billy Don O'Neal, Donald Fudge, Lindy Lee Bailey and Chas. Carter. Also Silas Devenport and Clinton Packwood. They reported plenty to eat, a nice swim and a grand time.

Alac Jackson is visiting his brother-in-law, Sam Doyle of Flat Top this week.

BOYD CHAPEL HOME DEMONSTRATION CLUB

The Boyd Chapel H. D. club met April 30 at 2:30 P. M. in the home of Mrs. B. P. Tinnin. This meeting was a few days later than our regular meeting day in order that Miss Gladys Martin, our County H. D. Agent, could be with us.

Miss Martin displayed many small but useful kitchen utensils. Among the most interesting was an onion chopper. There were also some good looking knives.

The mattress making project was discussed. There have been 30 applications approved from the Neinda center.

There were seven members and 3 visitors present. Members: Mmes. L. F. Cozzen, Buster Bingham, Bob Milstead, Lee Ward, Theron Bingham, J. P. Cornelius, and the hostess Mrs. B. P. Tinnin.

Guests: Mrs. A. M. Downey, Miss Thelma Downey, and Miss Gladys Martin.

—Reporter

Lester Morton, student in Hardin-Simmons University, accompanied by fellow students, Mr. H. C. Burrus and Misses Frances Linders and Lillian Hart of Simmons, enjoyed a visit and dinner in the home of his parents, Mr. and Mrs. J. H. Morton in the Carlton community Thursday evening of last week. It was a quiet little outing party to relax from the shackles of study and examinations.

1940

never a better year to see the WEST

via 

AND it's so economical to include all these grand travel experiences in a California trip, via Santa Fe, anytime during this great Exposition Year!

You can pause for a day or so at Arizona's glorious Grand Canyon—Santa Fe Pullmans to the rim.

Then to San Diego, Los Angeles, Hollywood . . . Yosemite Park in the high Sierras . . . and San Francisco's exotic Golden Gate Exposition.

For swift, comfortable travel, the Santa Fe offers this territory two famous trains—THE SCOUT, tourist sleeper and chair car economy train—THE GRAND CANYON LIMITED, providing accommodations in standard and tourist Pullmans and chair cars. Both trains carry lounge cars and cheery Harvey diners serving all meals. There is gay new streamlined service, too, between San Diego, Los Angeles and San Francisco.

GOLDEN GATE EXPOSITION

California's beautiful pageant of the Pacific on Treasure Island in the center of San Francisco Bay

GRAND CANYON

Indescribable wonder of Nature unparalleled throughout the world in grandeur and beauty

YOSEMITE

National Park of majestic mountains, waterfalls, and forest giants in California's high Sierras

SOUTHERN CALIFORNIA

famous the world over for its marvelous scenery, sun-splashed beaches, and a variety of recreations

Family Reunion Held W. D. Jones' Birthday

An annual family reunion, honoring W. D. Jones with a birthday dinner, was held at his home in the Corinth community, mid-way between Anson and Stamford, Sunday, May 5. Mr. Jones was 69 on May 3. Relatives and friends enjoying the occasion were Mrs. T. U. Green of Paducah, Mrs. J. W. Kineannon of Olton, and Mr. and Mrs. W. F. Sowers and family of Chalk; Mr. and Mrs. L. E. Elliott and family, Earnest and Thelma Saunders, Jack Parks, Lester Elliott, Duard Parks, and little son, Marion Andrew, all of Doole.

Those from near Hamlin were Melvin Jones and family, Mr. and Mrs. Ezra Shira and family, Faye Norris, Alvin Jones and family, Mr. and Mrs. Cay Elder, J. W. Harris and family, Mr. and Mrs. Henry Price, Mrs. M. E. Harris, Bill Mayfield, Mr. and Mrs. B. E. Hattox, and Alice Morrison.

Mr. and Mrs. Lee Dillard and sons, and Mr. and Mrs. Frank Hicks and children, of Lueders; Mr. and Mrs. Newman W. Jones and family,

J. J. Wadkins and children, and Mr. and Mrs. Cleo Jones and son, of Corinth.

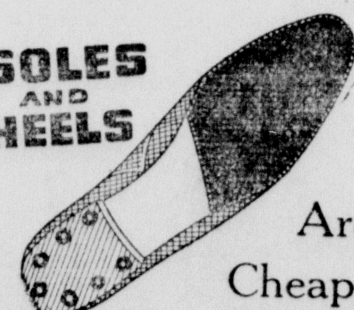

Mrs. Alice Mayfield and children, and Bennie Lee Todd of Union, called in the afternoon.

Another reunion is held in the home of Mr. and Mrs. Jones the last Sunday in October of each year, honoring Mrs. Jones' birthday.

Relatives and friends of the elderly couple enjoy these occasions very much.

Mr. and Mrs. Jones have lived in the Hamlin community and surrounding territory for many years. —A Guest

COCCIDIOSIS WEATHER

Warm rainy weather that has been prevailing in this area lately is ideal for the spread of coccidiosis. The coccidia germs need both moisture and heat for rapid production and when both are present as they have been the past few days a close watch should be kept for coccidiosis in chicks over two weeks of age. The coccidia are hatched from eggs and the heat serves to incubate the eggs and the moisture provides good conditions for the germs to hatch from the eggs. By disinfecting with a solution, that can be purchased from your poultry supply dealer, mixed with distillate or kerosene the coccidia eggs become covered with the oil and will not hatch just as hen eggs will not hatch when they become oily. With weather conditions as they are do not fail to use some form of oil when disinfecting.
